

Did you know DOGS GET HEART DISEASE?

People are not the only ones. 10% of dogs have heart problems, too.

small dogs

*more commonly get
disease of the heart valve.*

For example:

Cavalier King Charles Spaniel
Boston Terrier
Chihuahua
Fox Terrier
Miniature Pinscher
Poodle
Pekingese
Pomeranian
Whippet

big dogs

*more commonly get
disease of the heart muscle.*

For example:

Great Dane
Doberman Pinscher
Afghan Hound
Boxer
Cocker Spaniel
Dalmatian
Irish Wolfhound
Newfoundland
Saint Bernard
